Item Preparation

Making your tags:

Every item must be properly labeled with a 3x5 index card. Cards must be attached to the right front of garments with a safety pin and securely taped (mailing tape please) or tied with a ribbon to the front of toys and other items. Fill out each card in the following manner. See example to the right.

1. Place card in a vertical position.
2. If you know you would like to donate the item if it doesn't sell place a "D" in the top left corner. Leave the rest of the top 1/3 of card blank.
3. Consignor number in the bottom left - We will assign a consignor number when you contact us. Call Mary Jo at 715-839-8943.
4. Size in upper right.
5. Description of item in the center.
6. Price on bottom right. Minimum price is \$2. You may group smaller items together. Use whole dollar amounts - no cents.
7. Place ND next to price if you do not want your item to be 1/2 price on Sunday. IMPORTANT: ND means "no discount". You must put ND to guarantee your item will not be sold at 1/2 price.

Tagging your items:

On garments attach tag with a safety pin near the upper right side of the garment. All garments must be on a hanger with the hook facing left like a question mark. Please use 2 safety pins to attach pants to the top sides of the hanger. When hanging an outfit, turn the shirt around so that you are facing the back of the shirt, then safety pin the top of the pants to the shoulders of the shirt. Grasp the lines of the hanger in the safety pin as well so the pants do not pull down the shirt.

Ziploc bags are best for shoes. Place the card on the inside of the bag, pin a safety pin through one side of the bag including the card. If the shoes won't fit in a bag tie or rubber band together and attach the card securely.

Toys, books, videos and small items can be placed in Ziploc bags. Attach the tag securely and thoroughly describe the bag's contents.

On large items in addition to the 3x5 card place a piece of masking tape with your consignor number and price on the bottom of the item in case the tag is lost. **Do not** duplicate the 3x5 card.

Pick Up

Unsold items and checks will be available for pick up from 4-6pm on Monday, Sept. 20. Some consignors choose to donate unsold items to charity. You will inform us on your Consignor Agreement at Drop Off as to your wishes. If you are not coming to pick up please bring a self address stamped envelope to Drop Off so we can mail your check.

When tagging your items, if you know you do not want an unsold item back at pick up, please place a "D" for Donate in the upper left hand corner of the tag. This is very helpful because it allows us to know which unsold items do not have to be resorted by consignor number.

Unsold items marked with a "D" in the top left corner of the tag or not picked up will be gratefully accepted by Hope Gospel Mission. All items left after 6pm on Monday, Sept. 21 will be immediately donated, as we need to vacate the Expo Center.
